HATCHER FAMILY. William HATCHER, 1680-1736, Englishman immigrated to Henrico Co, VA, In "Descendants of William HATCHER, 1613-1680," the following is found: The children of William HATCHER 1680-1736 had been previously attached as the children of the immigrant, William HATCHER and Anne BURTON, but DNA tests on several descendants of Jamestown prove they are not descendants of this William HATCHER but are a unique HATCHER family. Continued testing on descendants may solve this problem but for the time being, this William will remain separated from the main family of William the Immigrant. Records indicate that our William likely arrived in this country circa 1704/1705 and immediately applied for acreage. It is also likely he married here since there is no HATCHER female found as being imported by anyone in this time frame. Book is soft cover, 8-1/2 by 11 format, fully indexed and contains 38 pages.
